

5.0 List of Preparers

The persons listed below were responsible for preparing this Draft Environmental Impact Statement and/or background studies.

Name	Qualifications	Primary Responsibilities
Federal Highway Administration		
Traci Baker	Civil Rights Specialist, FHWA, Illinois Division Office, 7 years	FHWA review
Peter Hartman	Engineering Team Leader, FHWA, Illinois Division Office, 13 years	FHWA review
Robin Helmerichs	Transportation Engineer, FHWA, Illinois Division Office, 1 year	FHWA review
Don Keith	Division Right-of-Way Officer, FHWA, Illinois Division Office, 2 years	FHWA review
Arlene Kocher	Transportation Engineer, FHWA Illinois Division Office	FHWA review
Jon-Paul Kohler	Planning and Program Development Manager, FHWA Illinois Division Office, 13 years	FHWA review
J.D. Stevenson	Environmental Program Engineer, FHWA, Illinois Division Office, 8 years	FHWA review
Illinois Department of Transportation		
Kathleen S. Ames	M.S. Environmental Engineering, B.S. Biology; IDOT 1973 to present	IDOT review, administration
John Anderson	B.S. Civil Engineering, P.E., IDOT 1979 to present	IDOT review, administration
Tom Brooks	M.L.A. Landscape Architecture, B.S. Forestry; IDOT 1994 to present. 10 years prior experience in wetlands, biological and environmental surveys	Wetlands analysis, review
Michael Bruns	B.S., Thermal and Environmental Engineering; IDOT 1972 to present	General content review and coordination, and noise analysis review
Sean Coyle	B.S. Civil Engineer, P.E., Illinois; IDOT 1984 to present	Geometric review

Name	Qualifications	Primary Responsibilities
Richard Dotson	M.S. Civil Engineering, B.S. General Engineering; P.E. Illinois, IDOT 1992 to present	IDOT liaison engineering coordination, analysis and review
Steven Gobelman	M.S. Geological Engineering, B.S. Geological Engineering; P.E., Illinois, Missouri; P.G., Kentucky; IDOT 1993 to present	Special waste assessment
Paula Green	B.S., Biology, IDOT 1974 to present	IDOT environmental liaison, coordination, and review
Jerome Jacobson	Ph.D. Archaeology, M.A. Anthropology, B.S. English; IDOT 1984 to present; 25 years of prior archaeological experience	Historic resource coordination, analysis, and review
Amy Karhliker	B.A., Anthropology; IDOT 1996 to present	Surface water, water quality, floodplains, contributing review
Tom A. Lacy	M.S. Civil Engineering, B.S. Agricultural Engineering; P.E., Illinois; IDOT 1987 to present	IDOT engineering liaison coordination, analysis, and review
Greg V. Larson	B.A. Biology and Environmental Sciences; IDOT 1998 to present	Environmental coordination and review
Charles Perino	Ph.D. Plant Taxonomy, M.S. Plant Taxonomy, B.S. Geology; IDOT 1982 to present. 10 years prior biological/ environmental experience	Wetlands and water resources coordination, analysis, and review
George B. Rose	Ph.D. Zoology (Ecology), M.S. Zoology (Ecology), B.A. Biology; IDOT 1973 to present; 4 years prior experience in biological research	Natural resources coordination, analysis, and review
John L. Rowley	B.S. Agriculture Education; IDOT 1983 to present	Agricultural coordination, analysis, and review
Jacqueline Schertz	B.S. Industrial Education and Technology; IDOT 1992 to present	Environmental coordination and review
Barbara H. Stevens	M.A. Economics; IDOT 1979 to present.	Socioeconomic impact analysis and review
Eric S. Therkildsen	B.S. Civil Engineering; P.E. Illinois; IDOT 1984 to present	Alternatives review, project management
Barb Traeger	B.A. Management; IDOT 1976 to present	Natural resources coordination, analysis, contributing review
John A Walthall	Ph.D. Archaeology, M.A. Anthropology, B.A. Anthropology; IDOT 1978 to present; 12 years prior experience in archaeological resources	Archaeological coordination, analysis, and review

Name	Qualifications	Primary Responsibilities
John R. Washburn	M.A. Environmental Sciences, B.A. and B.S. Geology; IDOT 1968 to present	Special waste geology and hydrogeology, analysis, and review
Walt Zyznieuski	M.A. Environmental; IDOT 1994 to present; 14 years prior experience in environmental compliance, permitting and research	Air quality impact analysis, review
Harding ESE, Inc.		
Gary Baker	B.S. Civil Engineering; 25 years experience in design and planning of transportation systems and general civil engineering projects.	Project Manager
Tracy Borchardt	B.S. Civil Engineering; 17 years experience in complex interchanges and interstate type geometrics	Project Engineer
Kathy Conley	B.S. Biology; 8 years experience in ecology and GIS	GIS Specialist
Chris Dawdy	B.S. Geography; 17 years experience in ambient air monitoring, air quality regulatory compliance, and permitting	Air Quality
Paul Delamater	B.S. Geography; 1 year experience in GIS	GIS Specialist
Christy DuMey	B.S. Biology; 2 years experience in GIS and ecology	Wildlife, vegetation, and habitat
Lois DuMey	M.S. Environmental Science; 4 years experience in NEPA, 4(f) evaluations, EIS and EA documentation, and cultural resources review	NEPA Specialist
Kathryn Erickson	B.S. Marketing/Communications; 10 years experience in community relations including environmental and engineering investigations	Public Involvement
Kris Erickson	M.S. Environmental Science, B.S. Biology; 13 years experience in environmental impact analysis, wetland ecology, terrestrial ecology, and natural resource characterization	Environmental Lead
Linda Stites Hart	B.S. Business/Biology; 18 years experience in technical writing, editing, and environmental document production	Technical Editor/ Document Coordinator
Virginia Hayes	M.L.A. Landscape Architecture; 24 years experience in landscape planning and environmental impact	Aesthetics

Name	Qualifications	Primary Responsibilities
	analysis for transportation	
Wayne Ingram	B.S. Civil Engineering; 22 years experience in water resources engineering and surface water hydrology	Floodplains
Peter Lee	B.S. Civil Engineering; 24 years experience in computer applications and civil engineering including roadway and drainage design	Highway Design Engineer
Bruce McNitt	BLA Landscape Architecture; 20 years experience in project management, land use planning, and public involvement	Public Involvement
Brian Mueller	B.S. Fisheries/Limnology; 14 years experience in fisheries, geographical information system (GIS), and impact analysis	GIS Coordinator
Richard Skinker	B.S. Fisheries and Wildlife; 6 years experience in natural resource damage assessments, aquatic ecology, plant taxonomy, and wetland investigations	Wetland Scientist
Steve Stumne	M.S. Environmental Sciences; 9 years experience in remediation, natural resource assessments, erosion control, and ecological restoration	Document Review
Chris Tedder	B.S. Geology; 13 years experience in geotechnical evaluations of surface and subsurface conditions and hazardous waste sites	Geology and Hazardous Waste
Kenneth Yang	B.S. Civil Engineering, P.E.; 5 years experience in transportation and civil engineering	Highway Design Engineer
Huff and Huff, Inc.		
Linda Huff	B.S. Chemical Engineering and MBA; 28 years experience in environmental analysis	Socioeconomic, Noise Review, Agriculture Review
Amy Moon	M.S. Biology, B.S. Environmental Science; 3 years experience in environmental impact analysis	Socioeconomic, Agriculture
Heidi Grade	B.S. Civil Engineering; 3 years experience in environmental impact analysis for transportation	Socioeconomic
Sean LaDieu	B.S. Civil Engineering; 4 years experience in highway noise analyses	Noise

Name	Qualifications	Primary Responsibilities
White and Borgognoni		
Gail White	M.S. Historic Architecture; 26 years experience in historic architectural surveys and evaluations, historic preservation, and rehabilitation planning	Historic Architect
